

Expression of Interest – The Governor’s Aboriginal Employment Industry Clusters Aboriginal Student STEAM Camp 2019

Student STEAM Camp

Overview

We are looking for up to 60 Aboriginal students who are currently enrolled or considering study in Science, Technology, Engineering, Arts and Mathematics (STEAM) related subjects to take part in our 5-day employment experience. This camp will give students an insight into the variety of jobs and careers in STEAM related fields on completion of high school.

The Camp will provide a range of activities for the students including:

- Educational hands-on STEAM activities at a University campus in Adelaide
- A tour of the Flinders University Student Hub;
- Flash mentoring by current university students, to gain an understanding of university life and the commitment required to be successful in further studies
- Career chats with Industry Cluster employers where students will meet employers in the STEAM field;
- Cultural Awareness activities.

Students chosen must:

- Identify as Aboriginal and/or Torres Strait Islander;
- Have an interest in studying one of the related professions upon completion of high school;
- Be passionate about committing to further study and future employment within STEAM related industries (e.g. engineering, architecture, nursing, medicine, building, geologists, many of the trades)
- Be willing to challenge themselves.

If this sounds like you and you are interested in furthering your knowledge on how to get involved in these industries, complete the **Expression of Interest** form on the next page and send it to brooke.keogh@thesmithfamily.com.au as soon as possible
